

Big Interview

Big Interview is an online platform that offers resume assistance and interview training. It is available to current health sciences program students at no out-of-pocket cost.

How to Access:

1. Open the site through the QR code or URL
2. Click the "Login" button in the top right corner
3. Login using SSO credentials
4. Confirm sign-in attempt with PingID

ouhsc.biginterview.com

Platform Tools:

To learn	Interview Curriculum	Video lessons and written modules on job search, resumes, interview preparation, negotiation, and first 90 days.	Location: <i>Learn</i> tab
	Question Library	Examples of questions interviewers often ask, including general questions and questions for specific jobs and skill sets. See what questions you will likely be asked, read tips on how to answer them, and view some sample answers.	
To draft	Build Answers	Using a specific interview question, write out how you might respond to that question, and store this answer in a repository.	Location: <i>Practice</i> tab
	My Answers	Repository of answers you have added. From here, you can modify your answers or review them before your interview.	
To rehearse	Practice Sets	Participate in a mock interview that uses sample interview questions from a selected category (such as a specific job or skill set). Watch videos of a person asking you questions, and record videos of yourself responding.	
	Interview Roulette	Participate in a mock interview that uses random sample interview questions. Watch videos of a person asking you questions, and record videos of yourself responding.	
To review	My Videos	View, score, and share recordings of your mock interview. View AI-generated feedback.	
	Analytics	View AI-generated analytics on your mock interview answers.	
	Resume Builder	Resume generator tool that guides you through inputting information about your experience, offering optional AI assistance, and produces customizable formatted resume document.	Location: <i>Resume Builder</i> tab
